HELPFUL TIP

If you are having trouble SAVING THE PDF after you enter your information:

Drag and drop the PDF file on an open internet browser window. This will open the blank entry form. Type your information again. When ready to SAVE, click on the printer icon at the top of the page. A dialog will appear, and you can now save the file as a PDF. Change the file name by adding your last name to it. Click "Save". Then attach this new PDF file to your email.
